## PE

Year 2 will have PE on Mondays and Thursdays. Children need to wear full Trent PE kit to school on these days and no change of uniform is needed. As we aim for lessons to be outdoors as often as possible, we recommend that children wear their outdoor PE kit (green jogging bottoms, Trent PE top, green jumper). We ask that your child wears either black or white trainers. We recommend providing your child with a spare pair of plimsolls for them to keep in school in case they need to change their shoes during the school day due to the weather.

## Homework

Homework will be set on Google Classroom on Fridays and will usually consist of:

- \*A piece of Maths
- \*A piece of English
- \*A piece of Creative Curriculum/Project
- \*Spellings to be learnt for a test (test will be the following Friday)

Homework is due in by Wednesday. Please encourage your child to get into the routine of 'handing in' their homework on time (by ensuring they click the 'hand in' button). If your child needs any help regarding their homework, they must come and see us before the Wednesday deadline so we can support them.

## Reading

Please make sure your child reads for at least 20 minutes every night. Your child will have a reading record journal which should be signed each day by an adult at home. These will be checked daily and signed by a member of staff to acknowledge your child's commitment to their reading.

## Equipment

Thank you for purchasing the school pencil case containing the equipment your child will need for this year. The items your Year 2 child will need are: a clear pencil case, a pencil, a rigid 30cm ruler, a sharpener, a glue stick, a whiteboard pen, purple pen, yellow highlighter and a whiteboard rubber. This can all be purchased from School Money. Throughout the school year your child may need some items in their pencil case replacing. Please check with your child on a regular basis if they need any new items. We would be grateful if you could support us in this.

Please provide your child with a clearly labelled water bottle every day. As the children are in KS1, fruit is provided at breaktime. If you would prefer to provide your child with fruit or vegetables for breaktime from home, please bring them in labelled with your child's name and these can be placed in their personal tray, ready for them to collect at break time

## Wet Play

If your child would like to bring in an activity book to keep in their tray for use during wet play and Golden Time, they are more than welcome to do so.

## Behaviour Policy

The Behaviour Policy has been clearly explained to all the children across the school. They understand the standard of behaviour expected of them and are responding positively. In Year 2, we will be encouraging and recognising positive behaviour by rewarding children who try incredibly hard in a variety of ways.

## Home Time

If anyone else is collecting your child, please do either let us know in the morning or call the School Office. If we have not been told that anyone else is collecting your child, we will not let them go at the end of the day even if it is with a parent in the class.
