

**Y1**

**Animals, including humans**  
Are all animals the same?

**Seasonal Changes**

What changes take place between winter and autumn?

**Everyday Materials**

How can materials help us in our everyday life?

**Plants**

Is a tree a plant?

**Plants/Seasonal Changes**

Do living things change or stay the same?

**Animals, including humans**

Are animals the same in Brazil?

**Y2**

**Animals, including humans**

What do living things need to survive?

**Living Things and Their Habitats**

What is alive, dead or was never alive?

**Uses of Everyday Materials**

Why do we choose different materials?

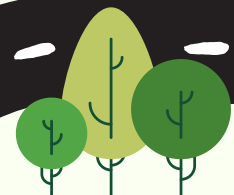

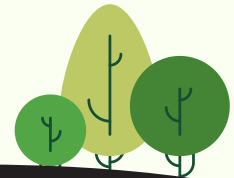

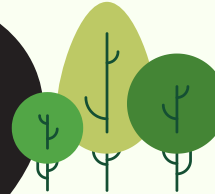

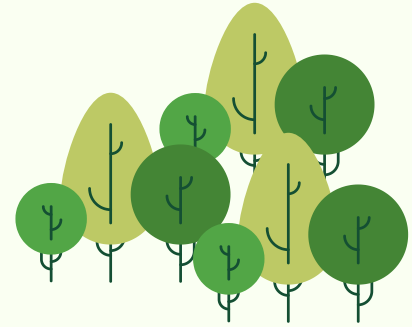

**Plants**

Do plants need the same things as humans to survive?

**Living Things and Their Habitats**

Are fish the only animals which live in water?

# SCIENCE ROAD MAP

**Y3**

**Light**

What is the dark?

**Rocks**

Are all rocks the same?

**Plants**

Do living things need different things to survive?

**Animals, including humans**

How do living things work?

**Magnets and Forces**

What can magnets do?

**Y4**

**Sound**

How do we hear different sounds?

**Living Things and their Habitats**

What is the same and what is different?

**States of Matter**

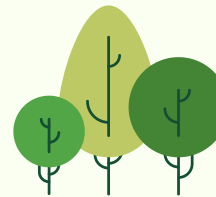

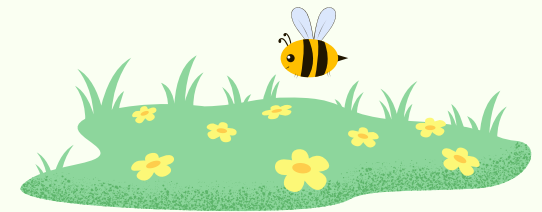

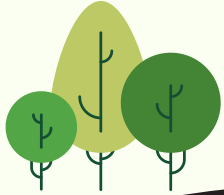

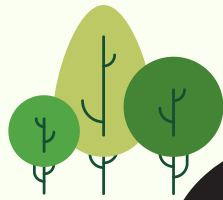

Is water always wet?

**Electricity**

Can we control electricity?

**Animals, including Humans**

What do animals do with the food they eat?

**Y5**

**Properties of Changes of Materials**  
What are things made from and why?  
Are all changes reversible?

**Earth and Space**  
Sun, Earth, Moon - What is moving?

**Forces**  
How do things move?

**Living Things and their Habitats:  
Lifecycles**  
Do all lifecycles look the same?

**Living Things and their Habitats:  
Plants**  
Do all lifecycles look the same?

**Electricity**  
Can we vary the effects of electricity?

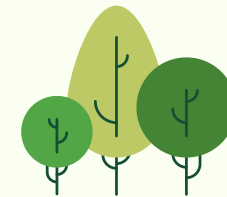

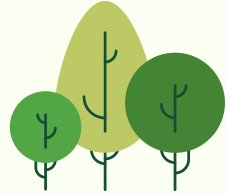

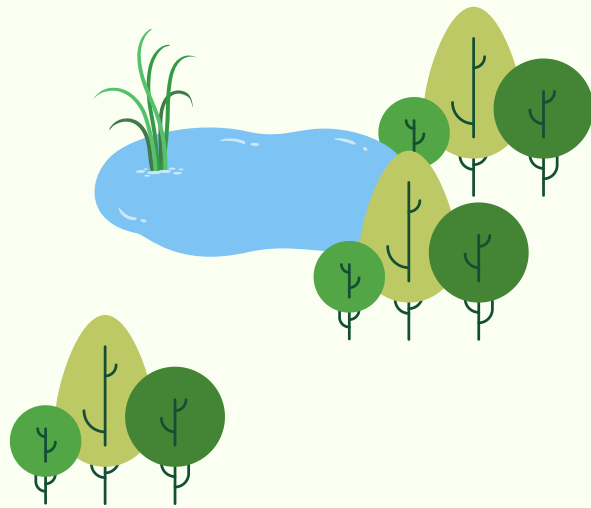

**Animals, including Humans**  
How do our choices affect how our bodies work?

**Living Things and Their Habitats**  
What else is there beyond plants and animals?

**Evolution and Inheritance**  
How do living things change over time and place?

**Light**  
How do we see?

**Y6**
