## Parent/Carer Code of Conduct

INSPIRED BY CHRIST

TRENT CE PRIMARY SCHOOL

CHURCH WAY • COCKFOSTERS • EN4 9JH

*Inspired by Christ, we\* serve one another in Love*

*\* We – parents, teachers, school staff and children together*

**“A new command I give you: love one another. As I have loved you, so you must love one another.” John 13:34**

**At Trent we believe that Jesus’ love for us inspires us to serve one another in love. With Christ’s love for us at the centre of our school, we strive in word and deed to act with kindness, perseverance and thankfulness to everyone in our school, our community and the wider world and so to flourish together.**

## **Trent Parent Code of Conduct Policy**

At Trent we are very fortunate to have a supportive and friendly parent body. Our parents recognise that educating children is a process that involves partnership between parents, class teachers and the school community. As a partnership, our parents will understand the importance of a good working relationship to equip children with the necessary skills for adulthood. For these reasons we continue to welcome and encourage parents/carers to participate fully in the life of our school.

The purpose of this policy is to provide a reminder to all parents, carers and visitors to our school about the expected conduct. This is so we can continue to flourish, progress and achieve in an atmosphere of mutual understanding. Together we act in accordance with our school values.

**Our values** of Kindness, Thankfulness, Perseverance guide us in all we do.

### **Guidance**

#### **We expect parents, carers and visitors to:**

- Respect the caring ethos of our school
- Understand that both teachers and parents need to work together for the benefit of their children.
- Demonstrate that **all** members of the school community should be treated with respect and therefore set a good example in their own speech and behaviour.
- Seek to clarify a child's version of events with the school's view in order to bring about a peaceful solution to any issue.
- Correct own child's behaviour especially in public where it could otherwise lead to conflict, aggressive behaviour or unsafe behaviour.
- Approach the school to help resolve any issues of concern.
- Avoid using staff as threats to tell off children's behaviour.
- Commit to upholding this policy
- Use WhatsApp and any other social media platform respectfully and not to discuss any issues/concerns or complaints against any individual or the school.

#### **In order to support a peaceful and safe school environment the school cannot tolerate parents, carers and visitors exhibiting the following:**

- Approaching someone else's child in order to discuss or chastise them because of the actions of this child towards their own child. (Such an approach to a child may be seen to be an assault on that child and may have legal consequences).
- Disruptive behaviour which interferes or threatens to interfere with the operation of a classroom, an employee's office, office area or any other area of the school grounds including team matches.
- Using loud/or offensive language, swearing, cursing, using profane language or displaying temper.
- Threatening to do actual bodily harm to a member of school staff, Governor, visitor, fellow parent/carer or pupil regardless of whether or not the behaviour constitutes a criminal offence.
- Inappropriate e-mails or text/WhatsApp/voicemail/phone messages or other written communication.
- Defamatory, offensive or derogatory comments regarding the school or any of the pupils/parent/staff, at the school on Facebook or other social sites. (See Appendix 1). Any concerns you may have about the school must be made through the appropriate channels by speaking to the class teacher, the Head teacher or the Chair of Governors, so they can be dealt with fairly, appropriately and effectively for all concerned.
- The use of physical aggression towards another adult or child.
- Smoking whilst on school property.

- Dogs being brought on to school premises (Small dogs can be held when in the playground).

Should **any** of the above behaviour occur on school premises the school may feel it is necessary to contact the appropriate authorities and if necessary, even ban the offending adult from entering the school grounds.

We trust that parents and carers will assist our school with the implementation of this policy and we thank you for your continuing support of the school.

**We expect that parents will make all persons responsible for collecting children aware of this policy.**

Please be sure to read and understand this important information:

Appendix 1

***Inappropriate use of Social Network Site***

*Social media websites and messaging apps are being used increasingly to fuel campaigns and complaints against schools, Headteachers, school staff, and in some cases other parents/pupils. The Governors of Trent School consider the use of social media websites and messaging apps being used in this way as unacceptable and not in the best interests of the children or the whole school community. Any concerns you may have must be made through the appropriate channels by speaking to the class teacher, the Headteacher or the Chair of Governors, so they can be dealt with fairly, appropriately and effectively for all concerned.*

*In the event that any pupil or parent/carer of a child/ren being educated in the Trent School is found to be posting libellous or defamatory comments on Facebook or other social network sites, they will be reported to the appropriate 'report abuse' section of the network site. All social network sites have clear rules about the content which can be posted on the site and they provide robust mechanisms to report content or activity which breaches this. The school will also expect that any parent/carer or pupil removes such comments immediately.*

*In serious cases the school will also consider its legal options to deal with any such misuse of social networking and other sites. Additionally, and perhaps more importantly is the issue of cyber bullying and the use by one child or a parent to publicly humiliate another by inappropriate social network entry. We will take and deal with this as a serious incident of school bullying. Thankfully such incidents are extremely rare.*

Please sign and return this slip to the school office to acknowledge that you have read and understand the above policy.
