“Inspired by Christ, we serve one another in love.”

Jesus was never swayed by social standings, affluence, or job titles – he treated each person with the dignity and respect they deserve as part of his creation and made in the image of God. Following his example, at Trent we strive to treat each pupil with that same dignity and respect. We long to be a school where children from all different backgrounds learn and play together without prejudice or favouritism. These principles underlie the details of this policy as we ensure opportunities are available to all without drawing attention to where extra support is being given.

Statement of intent

At Trent CE Primary School, we believe that the highest possible standards can only be achieved by having the highest expectations of all learners. Some pupils from disadvantaged backgrounds require additional support; therefore, we will use all the resources available to help them reach their full potential, including the pupil premium grant (PPG).

We aspire to provide excellent quality of learning and teaching in an environment where our Christian vision underpins all that we do.

PPG allocation

In line with government expectations the school adopts the following definitions for PPG eligibility:

- **Ever 6 FSM:** pupils who are eligible for free school meals or have been eligible in the past 6 years.
- **NRPF:** pupils of families with no recourse to public funds (NRPF).
- **LAC:** pupils who are looked after by the LA.
- **PLAC:** pupils who have been adopted from care or have left care.
- **Service children:** pupils who meet one of the following criteria:
 - One of their parents is serving in the regular armed forces (including pupils with a parent who is on full commitment as part of the full-time reserve service, and also pupils whose parent is serving in the armed forces of another nation and is formally stationed in England)
 - They have been registered as a 'service child' on a school census in the past six years
 - One of their parents died whilst serving in the armed forces and the pupil receives a pension under the Armed Forces Compensation Scheme or the War Pensions Scheme

For the 2022/2023 and 2023/2024 financial years PPG allocations are as follows:

Disadvantaged pupils	PPG amount per pupil	
	2022/2023	2023/2024
Primary-aged pupils who are eligible for FSM, or have been eligible in the past six years, including eligible children of families with NRPF	£1,385	£1,455
Pupils who have been adopted from care or have left care, i.e. PLAC	£2,410	£2,530
Children who are looked after by the LA, i.e. LAC	£2,410	£2,530
Service children	SPP amount per pupil	
	2022/2023	2023/2024
Any pupil in Reception to Year 11 with a parent who is serving in HM Forces or has retired on a pension from the Ministry of Defence	£320	£335

The school will receive its PPG funding from the LA.

Allocations for 2023/2024 will be based on the October 2022 census.

Objectives

The school has the following objectives with regards to its use of the PPG:

- To provide additional educational support to raise the achievement of pupils in receipt of the PPG
- To narrow the gap between the educational achievement of these pupils and their peers
- To address underlying inequalities between pupils, as far as possible
- To ensure that the PPG reaches the pupils who are eligible for it
- To make a significant impact on the education and lives of these pupils
- To provide enrichment opportunities within and beyond the curriculum to enhance pupils cultural capital.
- To work in partnership with the parents of pupil to collectively ensure pupils' success

How PPG is spent

The school will only spend pupil premium funding in line with the terms outlined within the conditions of grant as outlined below:

- For the benefit of pupils registered at the school.
- For the benefit of pupils registered at other maintained schools or academies.
- On community services whose provision furthers any benefit for pupils at the school.

Pupil premium is not a personal budget for individual pupils, and schools are not required to spend all of their allocated grant on eligible pupils. The school will use the PPG to support other pupils with identified needs where it is deemed beneficial to do so, for example, on pupils who have or have had a social worker or, pupils who may be acting as a carer. Pupil premium may also be used on whole-school approaches, e.g. high-quality teaching, which will also benefit non-disadvantaged pupils.

The school will decide the activities on which the PPG will be spent in line with the framework and 'menu of approaches' set out by the government in ['Using pupil premium: guidance for school leaders'](#), and focussed on the three areas below:

- High-quality teaching, such as staff professional development
- Targeted academic support, such as tutoring
- Wider strategies to address non-academic barriers to success in schools, such as attendance, behaviour, and social and emotional support

Academically able pupils from disadvantaged backgrounds will be given as much focus as less academically able pupils.

If the school has not spent the PPG within the financial year in which it was allocated, the school will carry the remainder forward to the following financial year. When the school carries PPG funding forward, it will use the funding in line with the conditions of grant for the financial year in which it is spent. Funding carried forward will be accounted for in the school's pupil premium strategy statement for the academic year in which it is spent.

Long-term strategy for success

The school has a long-term strategy to ensure it maximises the use of PPG funding. The school will adopt a long-term three-year strategic plan, aligned to the SIP, which contains the following considerations:

- Expenditure
- Recruitment
- Teaching practice
- Staff deployment

As part of its strategy, the school will maximise the use of the PPG by:

- Assigning a pupil premium lead to champion the educational needs of PPG recipients and ensure the implementation of this policy.
- Ensuring PPG funding and spending can be identified within the school's budget.
- Consulting, as necessary and as appropriate, the pupil premium lead, governors, staff and parents when deciding how funds are spent.
- Assessing the individual provisions required for each pupil in receipt of the PPG.

The school will conduct lighter-touch annual reviews to inform the strategic plan and form the school's Pupil Premium Impact Statement.

The school will explore evidence-based summaries of PPG use, such as the EEF's Teaching and Learning Toolkit, to determine the best use of the funding. The school will consult the

EEF's Families of Schools Database to learn about effective practice in similar schools. The school will make decisions about PPG spending that demonstrably illustrates its use of evidence-based research.

When researching and implementing PPG use, the school will focus on approaches that:

- Are individually tailored to the strengths and needs of each pupil, and include targeted academic support, such as tutoring
- Are consistent (based on agreed core principles and components), but also flexible and responsive.
- Are evidence-based.
- Are focussed on clear short-term goals providing opportunities for pupils to experience success.
- Include regular, high-quality feedback from teaching staff.
- Engage parents in the agreement and evaluation of support arrangements, e.g. via pupil's personal education plans (PEPs).
- Support pupils' transitions through the stages of education, e.g. from primary school to secondary school.
- Raise aspirations through access to high-quality educational experiences.
- Promote each pupil's awareness and understanding of their own thought processes and help them to develop problem-solving strategies.
- Support the quality of teaching, including staff professional development.
- Tackle non-academic barriers to success at school, by supporting good attendance and behaviour and providing social and emotional support.

The school will also choose approaches that emphasise:

- Relationship-building, both with appropriate adults and with pupils' peers.
- An emotionally intelligent approach to the setting of clear behaviour boundaries.
- Increasing pupils' understanding of their emotions and identity.
- Positive reinforcement.
- Building self-esteem.
- Relevance to the learner – the approach relates to pupils' interests and makes success matter to them.
- A joined-up approach involving the pupil's social worker, carer, virtual school head (VSH) and other relevant professionals.
- A child-centred approach to assessment for learning.

A tiered approach to PPG spending

The school will operate a tiered approach to PPG spending to ensure spending is both balanced and focussed. Spending priorities are as follows:

- 1: Teaching
- 2: Targeted academic support
- 3: Wider strategies
- 4: Enrichment Activities

Ensuring effective teaching in every classroom is the priority for PPG spending. To achieve this, the school will spend the PPG in the following ways:

- Professional development
- Recruitment and retention
- Supporting early career teachers

Evidence shows that targeted support has a positive impact and is a key component of effective PPG use. The school will spend the PPG on targeted support in the following ways:

- Structured interventions
- Small group tuition
- One-to-one support

Wider strategies are used to overcome non-academic barriers to success. The school will spend the PPG on the following wider strategies:

- Behaviour support
- The breakfast club
- Attendance initiatives

Use of the LAC and PLAC premiums

The LAC premium will be managed by the LA's designated VSH.

The premium will be used to benefit a pupil's educational needs as described in their PEP. To avoid any delays in providing support, the school will work with the VSH to ensure that funding allocation is as simple as possible.

The LAC premium will be used to facilitate a wide range of educational support for LAC. The designated teacher will work with the VSH to gain a full understanding of each pupil's needs and determine how to use the premium to support each pupil effectively. The designated teacher will work with the VSH to ensure that all available funding is spent.

PLAC premium is allocated directly to the school. LAC premium and PLAC premium will not be treated as personal budgets for individual pupils; however, the VSH and the school may choose to allocate an amount of funding to an individual to support their needs.

Example interventions

The school may utilise the following achievement-focussed interventions:

- Providing one-to-one and small group work with experienced teachers to address pupils' specific knowledge gaps
- Reducing class sizes to improve opportunities for effective teaching
- Creating additional teaching and learning opportunities using Tas
- Targeting English and maths teaching for pupils who are below age-related expectations
- Targeting pupils who require additional help to reach age-related expectations

The school may utilise the following teaching-focussed interventions:

- A half-hour weekly CPD slot for staff
- A termly one-day teaching development programme delivered by external experts
- Weekly individual coaching sessions to support teachers

The school may utilise the following wellbeing-focussed interventions:

- One-to-one counselling sessions
- Occupational therapy-based interventions
- Allocating funds to enable pupils to participate in extra-curricular activities

The school may utilise the following communication-focussed interventions:

- Vocabulary interventions for pupils with poor oral language and communication skills
- Transport for parents to attend annual reviews
- Support for pupils to access a range of off-site trips and experiences

The school may utilise the following independence-focussed interventions:

- Work experience opportunities
- Opportunities to lead sessions

Use of the service pupil premium (SPP)

The school will use the SPP to give pastoral support to service children during challenging times and mitigate the negative impact of family mobility or parental deployment.

The school will not combine the SPP with any other form of PPG. SPP spending is accounted for separately to any other form of PPG. The school may use the SPP for:

- Providing pastoral support in the form of counselling, nurture groups, clubs, etc.
- Improving the means of communication between the pupil and their deployed parent(s), such as introducing a 'video call club'.
- Helping pupils to develop scrapbooks and diaries that can be shown to their parent(s) on their return.
- Funding staff hours spent assisting the pupil when they join a new school as a result of a new posting.
- School trips specifically for service children, such as military-specific trips that allow pupils to join a wider community and better understand the role their service parent plays.

The school will not use the SPP to subsidise routine school activities.

Accountability

Individual targets will be set for each pupil in receipt of the PPG and their progress towards achieving these targets is analysed at the end of interventions. The progress of pupils in receipt of the PPG will be regularly discussed with subject teachers.

Ofsted inspections report on the attainment and progress of disadvantaged pupils in receipt of the PPG. The school will be held to account for the spending of the PPG through the focus in Ofsted inspections on the progress and attainment of the wider pupil premium-eligible cohort.

The school will publish its strategy statement for using the PPG on the school website by the 31 December utilising the DfE template document accessible in the 'Pupil premium' guidance.

The school will use its recovery premium alongside its pupil premium funding and report on the use of them as a single sum in their strategy statement.

The school will publish the updated PPG strategy annually, in line with its statutory duties.

Reporting

The headteacher will report annually to the governing body regarding how effective PPG spending has been and what impact has been made. The impact of PPG spending, in terms of improving educational outcomes and cost effectiveness, will be monitored, evaluated, and reviewed by the headteacher and the governing body.

Information regarding PPG spending will be published on the school website.

Overpayments

Where the school identifies that it may have been overpaid, it will contact the ESFA as soon as possible to arrange repayment of the excess. The school will comply with any written request from the ESFA seeking to recover the excess in the event of an overpayment identified by the ESFA.

Monitoring and review

This policy will be reviewed annually
